Swimwear with
something
extra

Xtra Life LYCRA® fiber resists degradation from perspiration, chlorine, and oils that may be found in suntan lotions, helping your swimwear maintain exceptional fit. So your customers will remember what brand to look for next season.

Ask your mills about their new range of fabrics with Xtra Life LYCRA® fiber - now easily accessible worldwide.

Visit the INVISTA booth at Mode City, Paris: 3E22/ 3F27, Hall 3.

Enquiries: apparelinfo@invista.com
